What will be in this for you?

1. "theoretical" stuff
2. "practical stuff"
3. cross-talk

Who are you?

- Are you currently working in a remote team?
- If yes, in what role?
- How big is your team?
- On how many locations is your team located?
- What are your main problems?
- What are your main questions?
- What are your main concerns?

Chapter 1 - Concepts of remote working

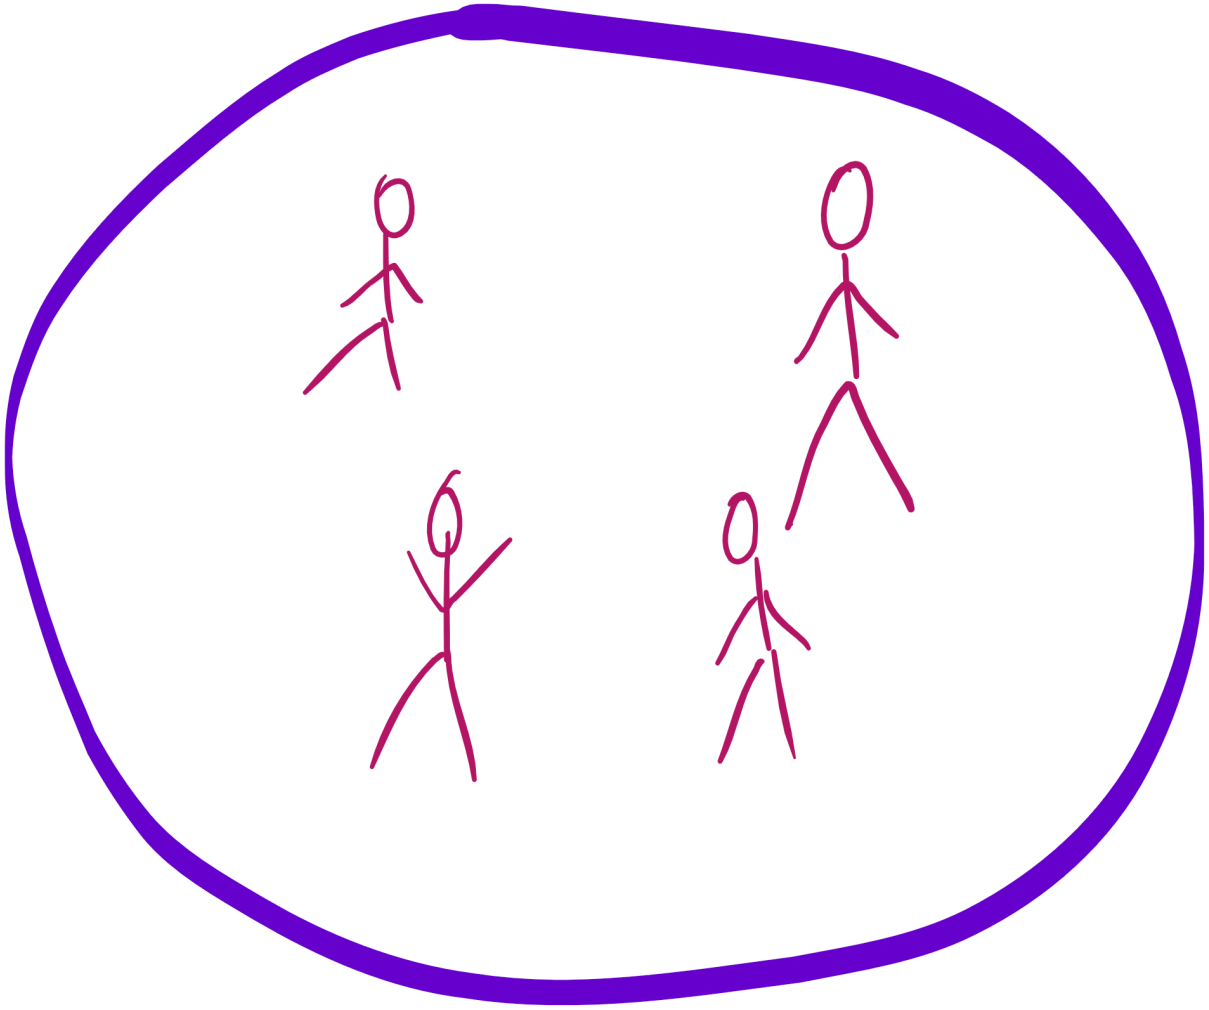
Home Office

Virtual Team

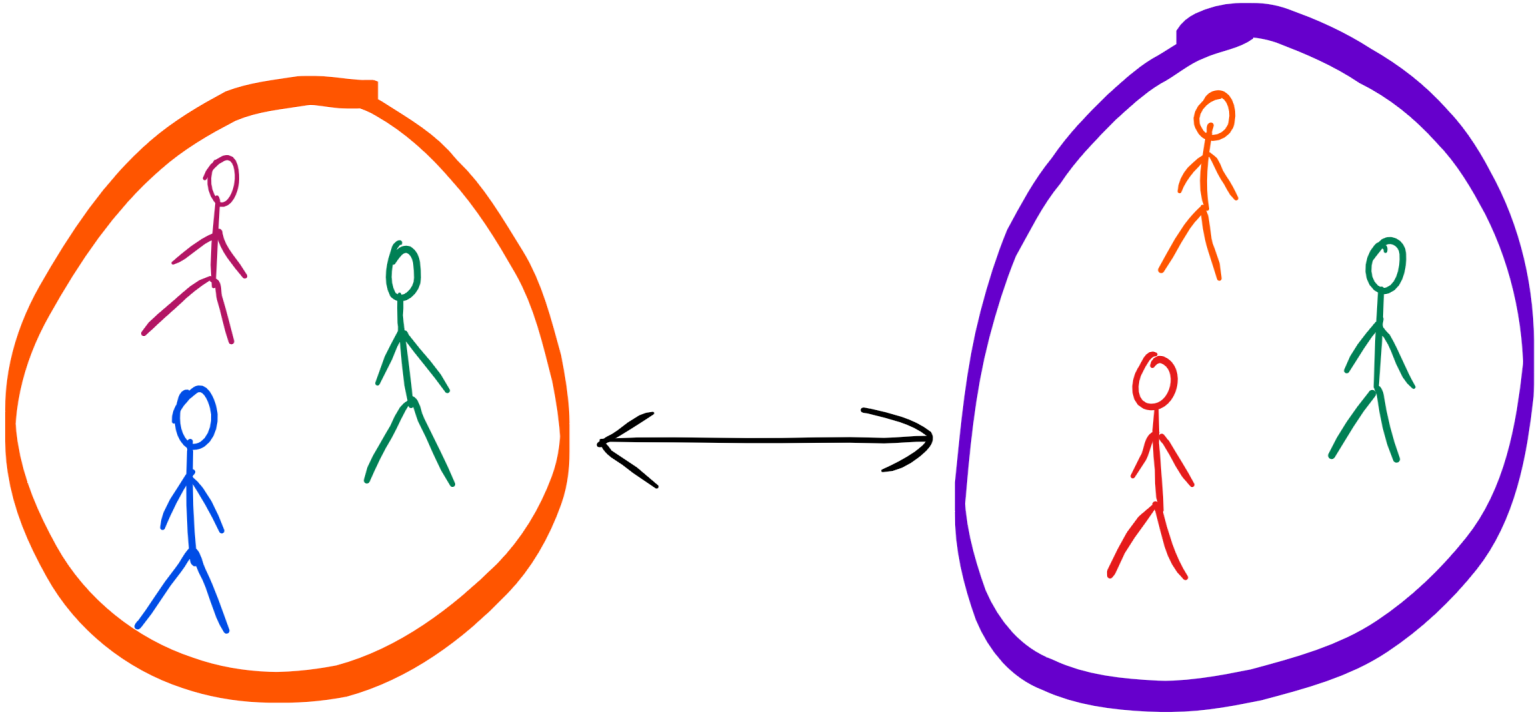
Remote Working

Verteiltes Arbeiten

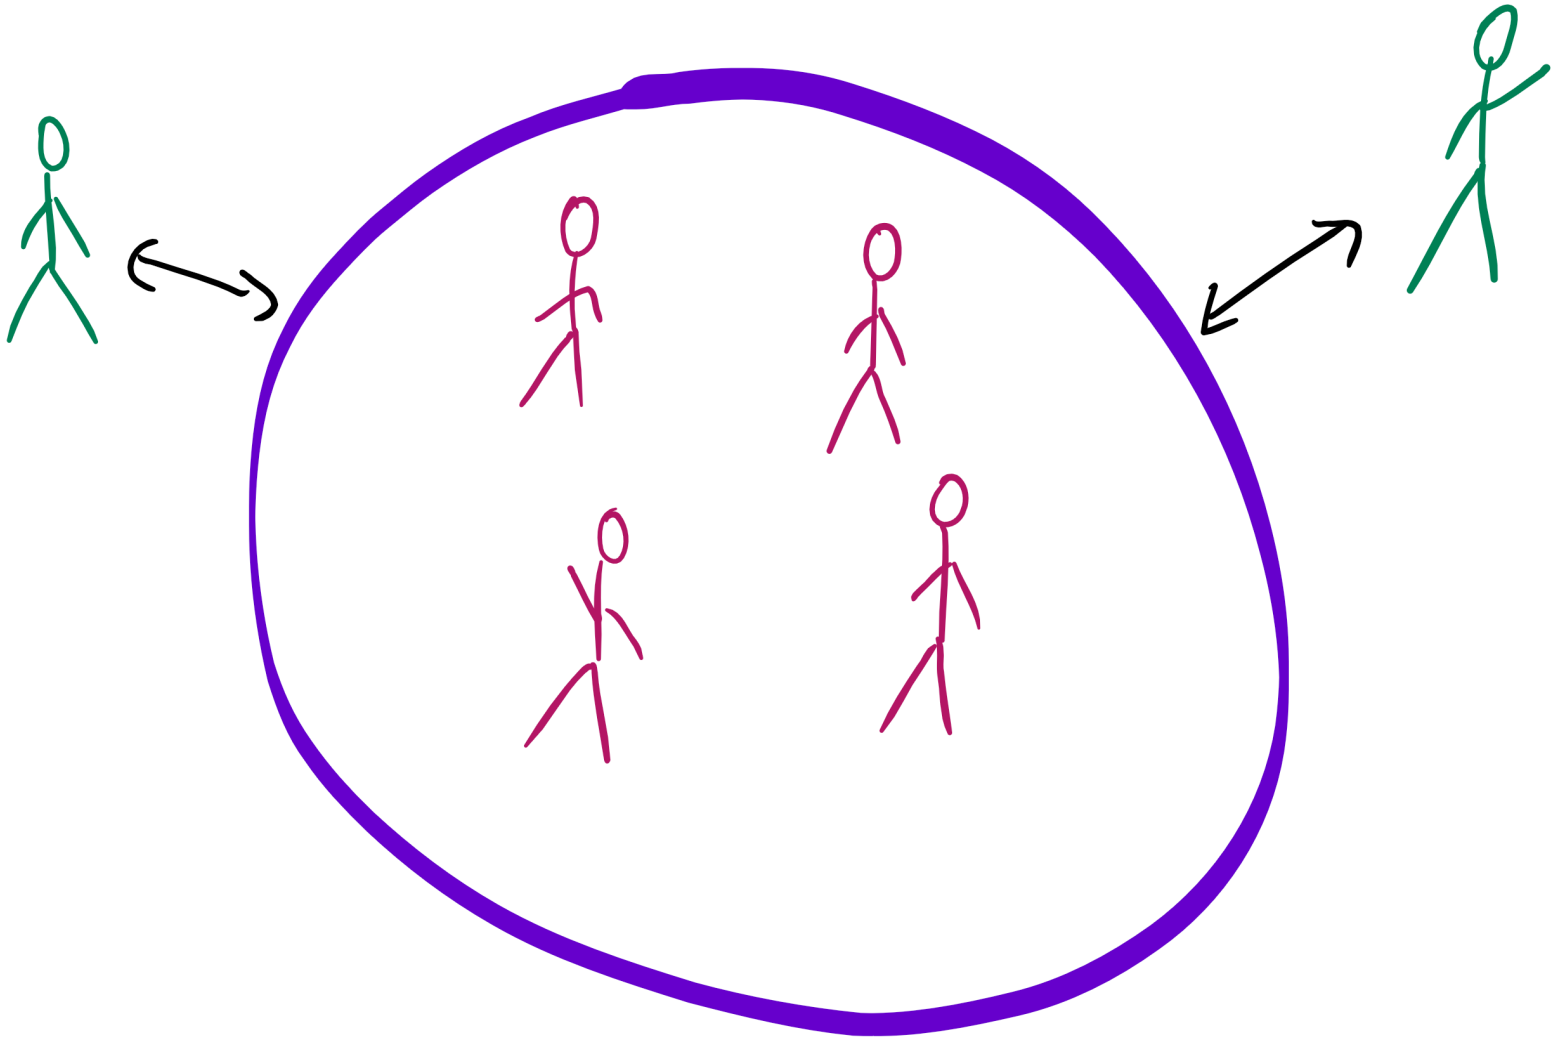
Single-site team



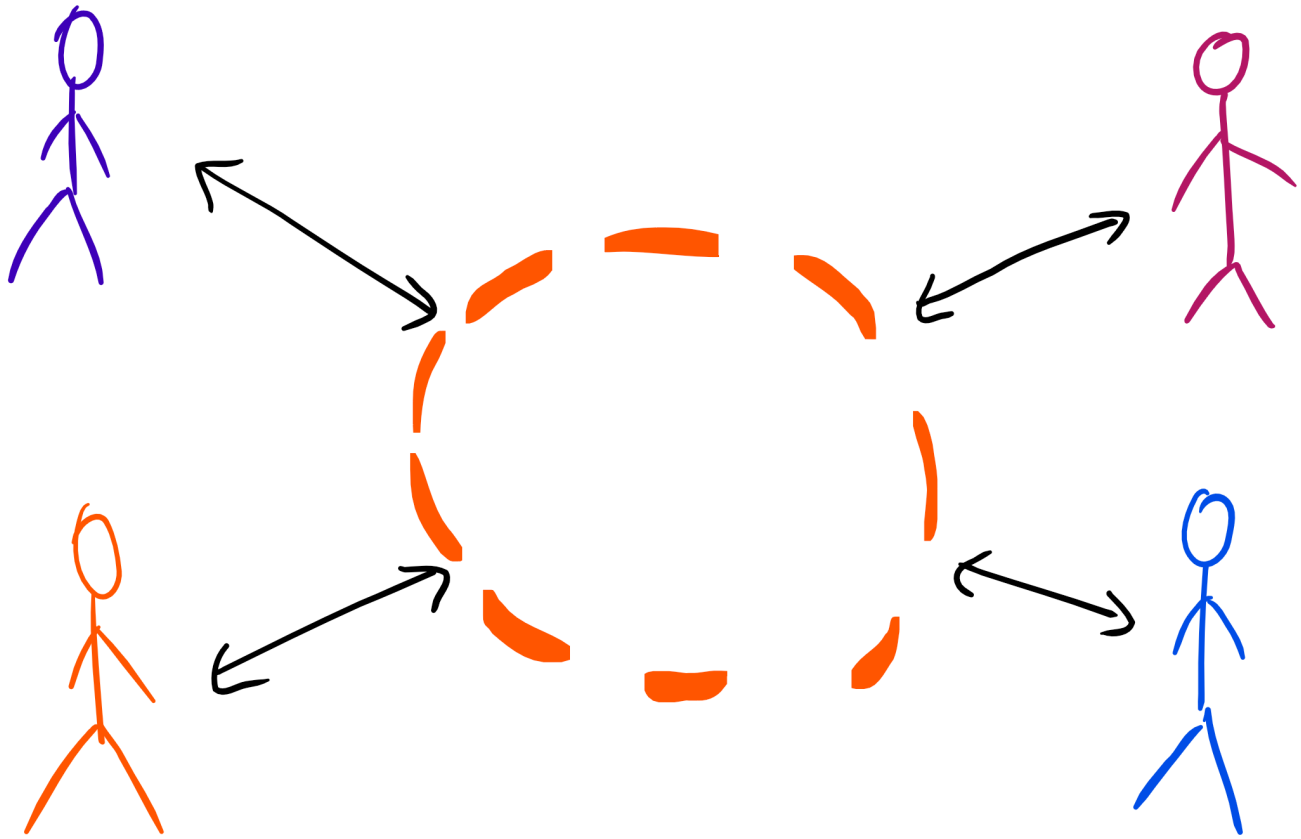
multi-site team

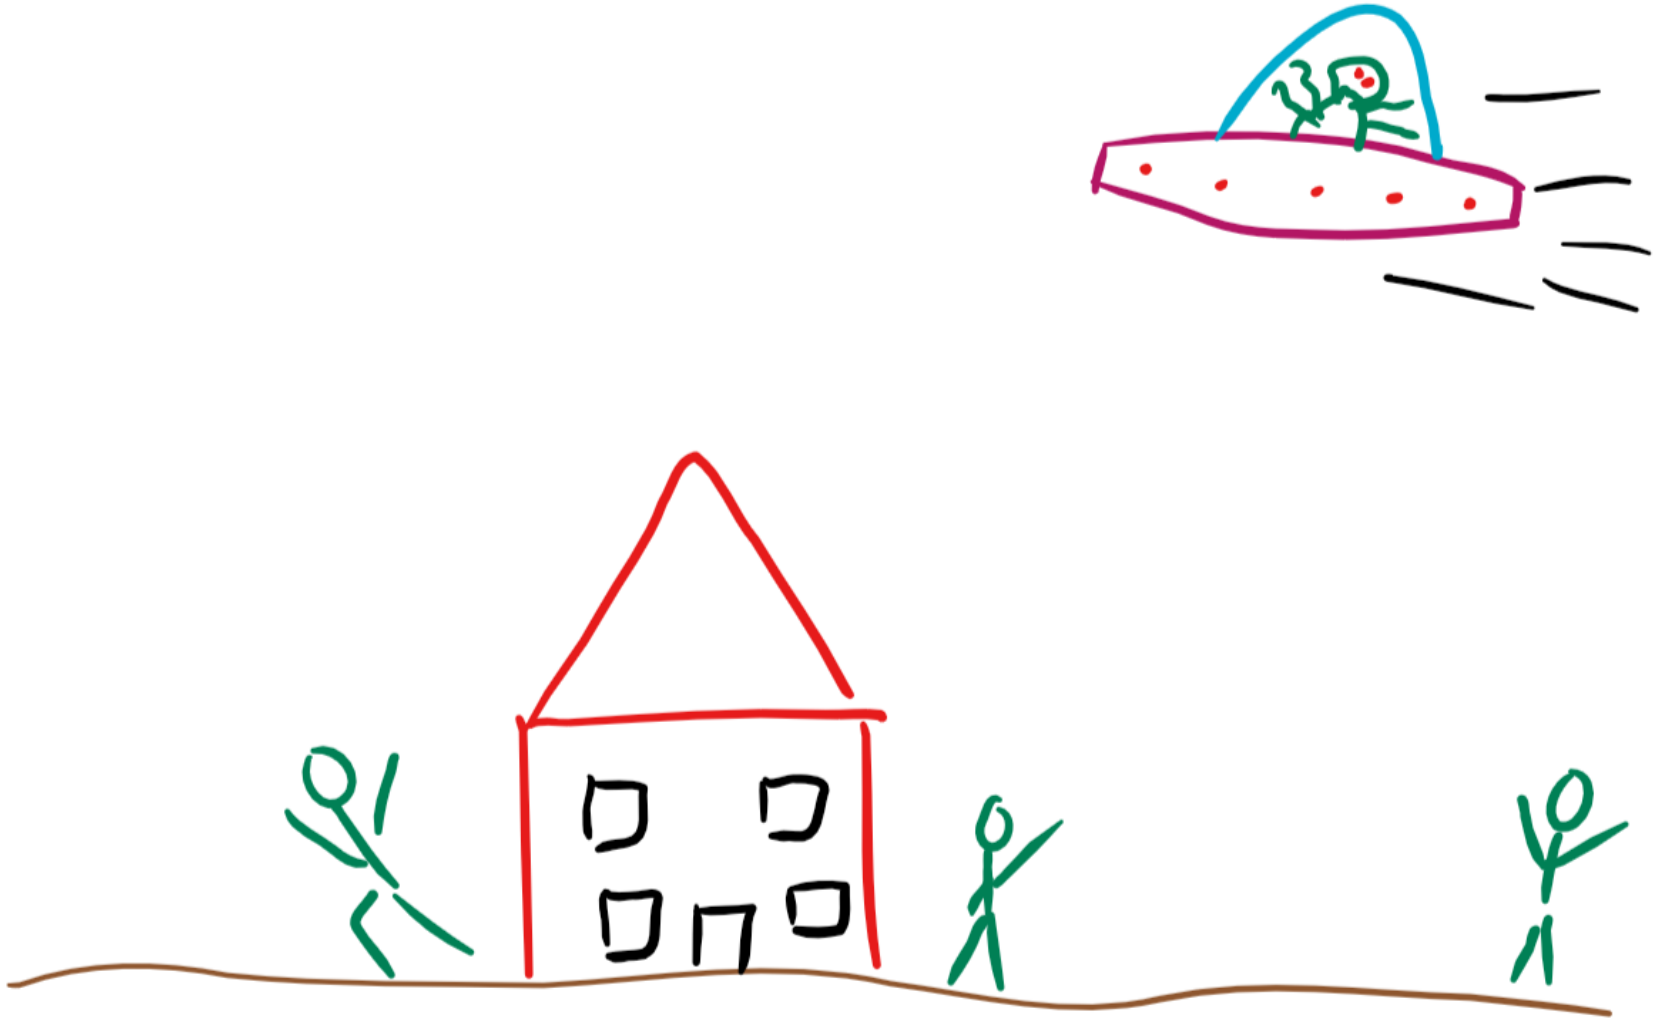


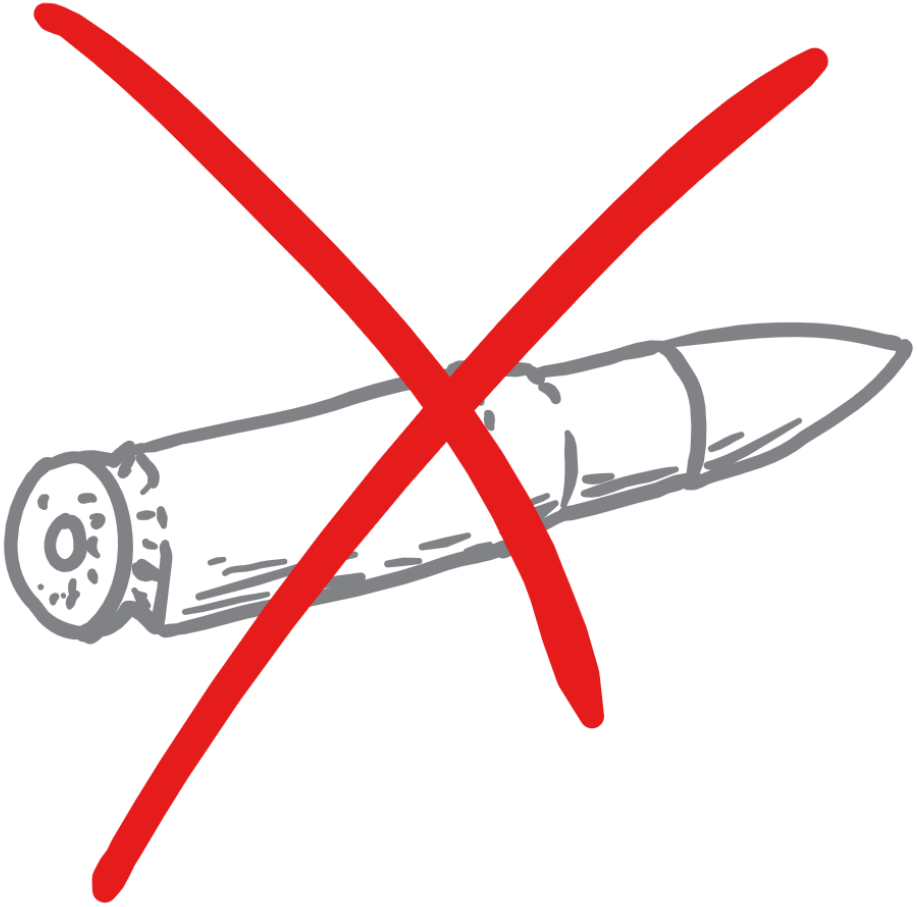
satellite workers

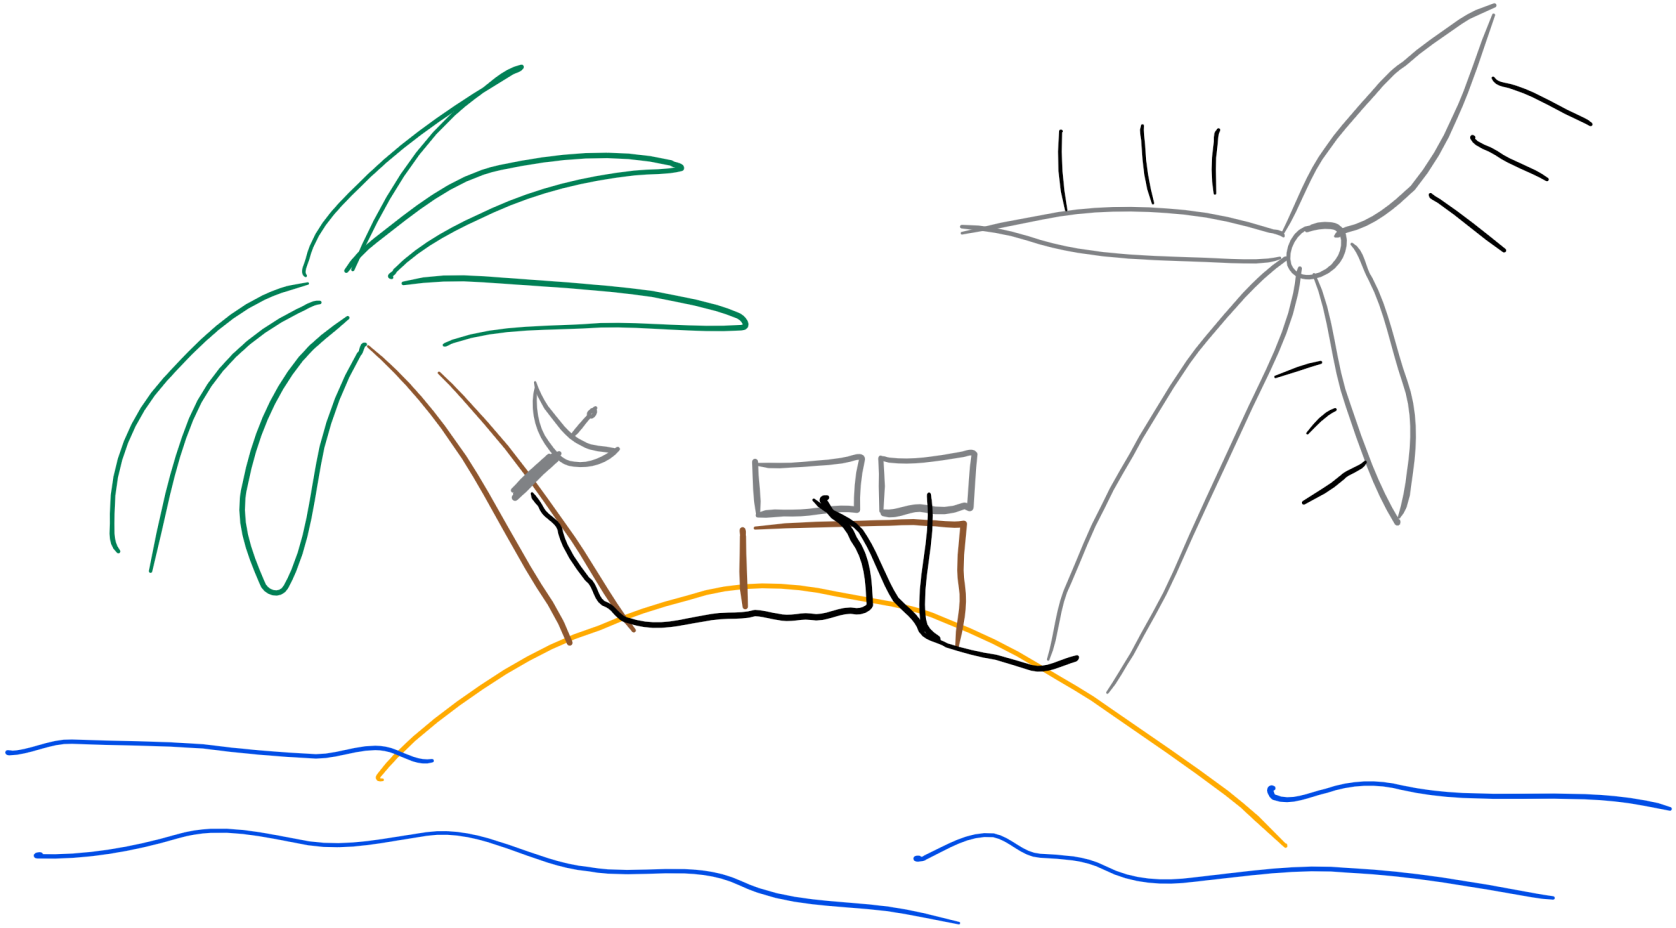


remote-first team





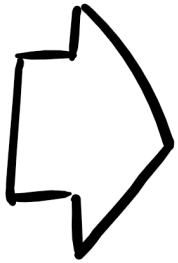




"Good ideas only happen if everyone is in <u>one</u> room!"

"How can I trust them to work?"

SECURITY!



"I'm way more productive working from home"

Finally time for my kids!

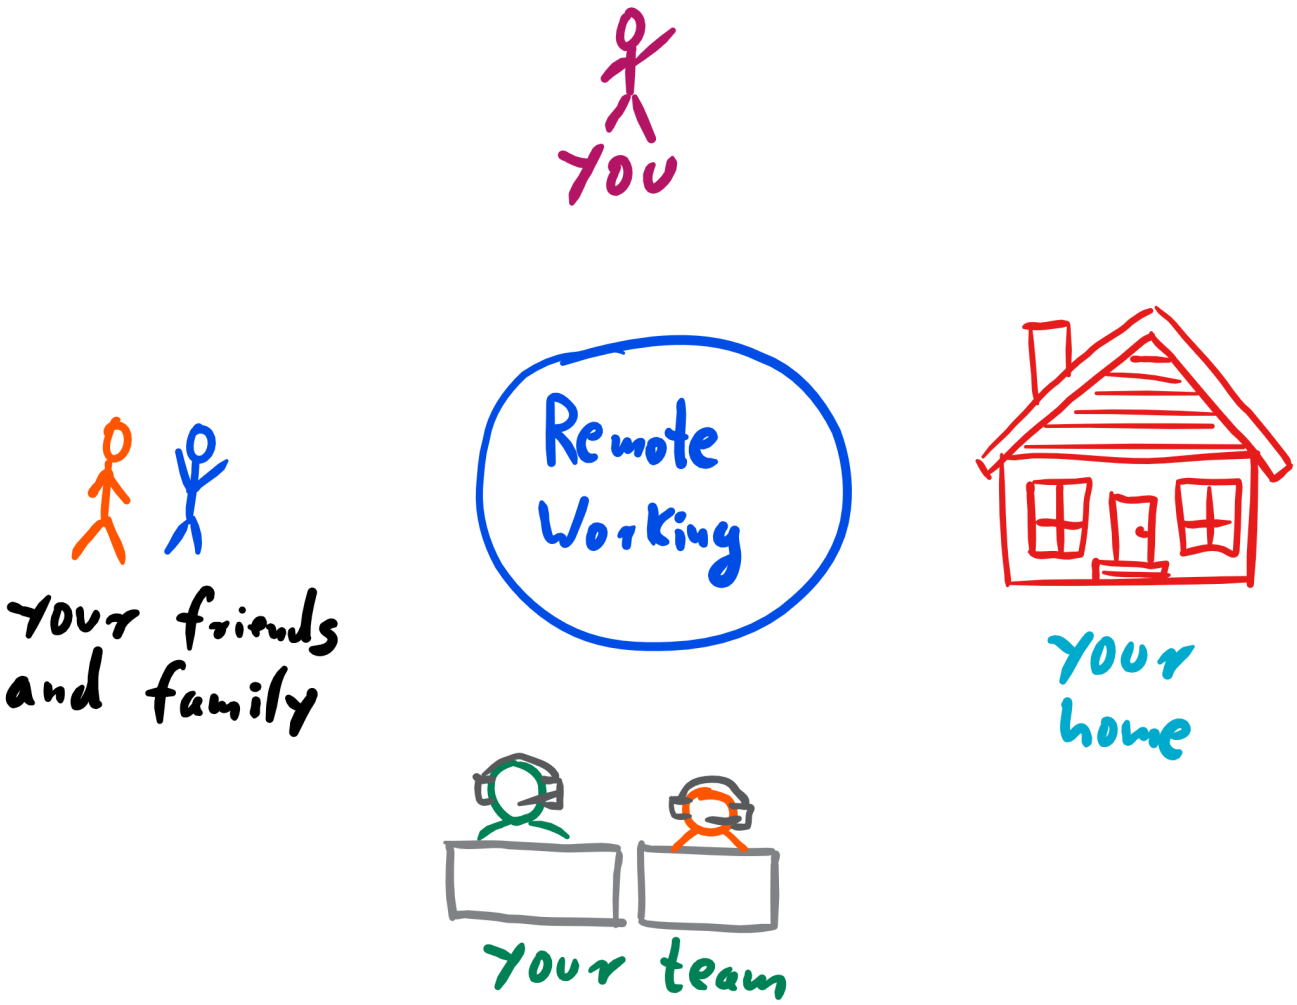
Hire employees from around the world!

What will

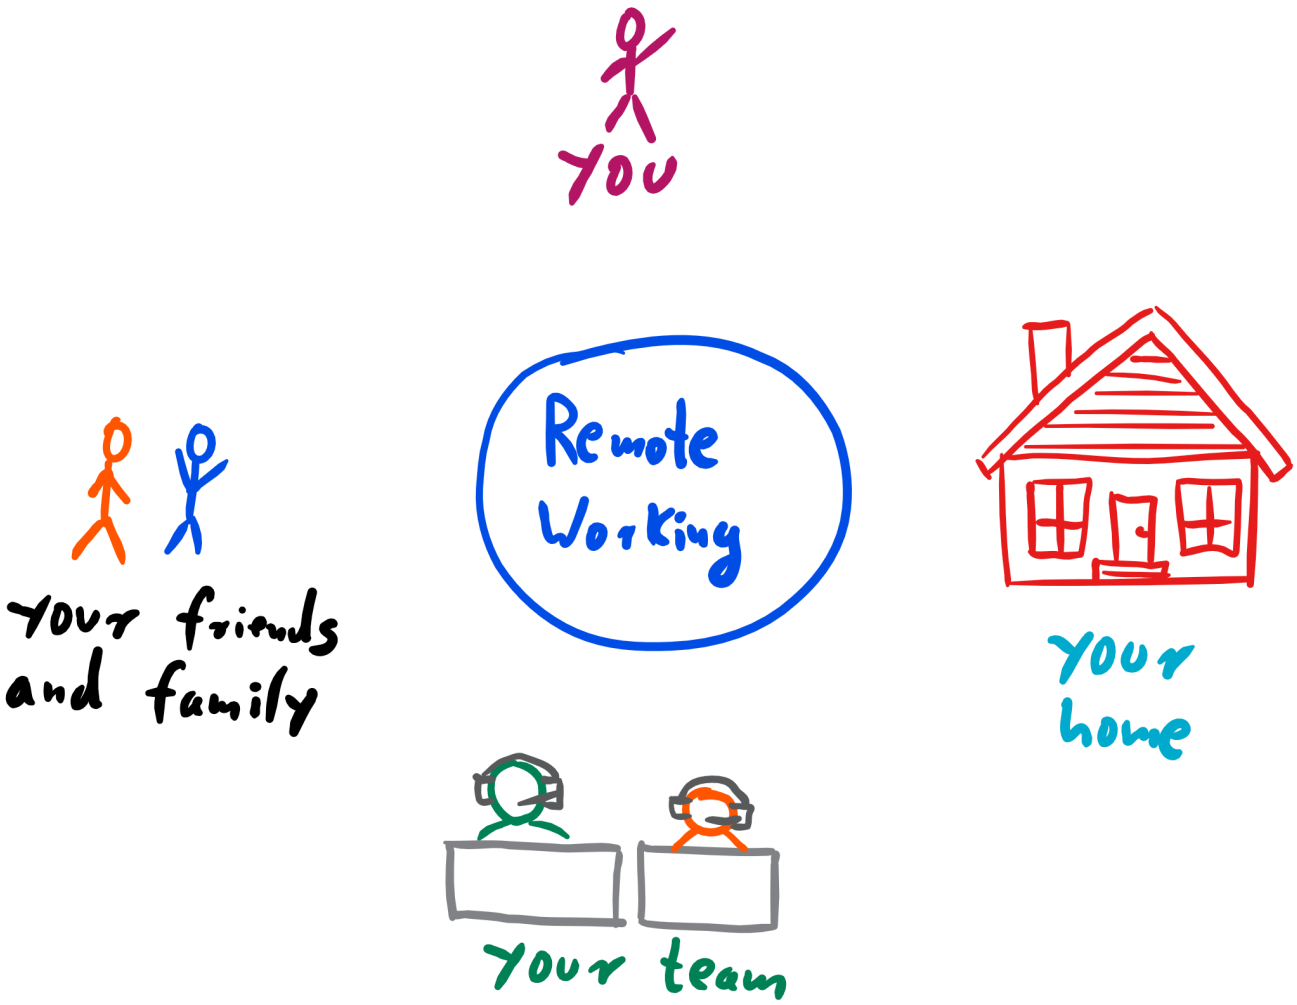
YOU

make of this?

Chapter 2 - How to make it work



You
Remote Working
your friends and family
your home
your team



You
Remote Working
your friends and family
your home
your team

Processes

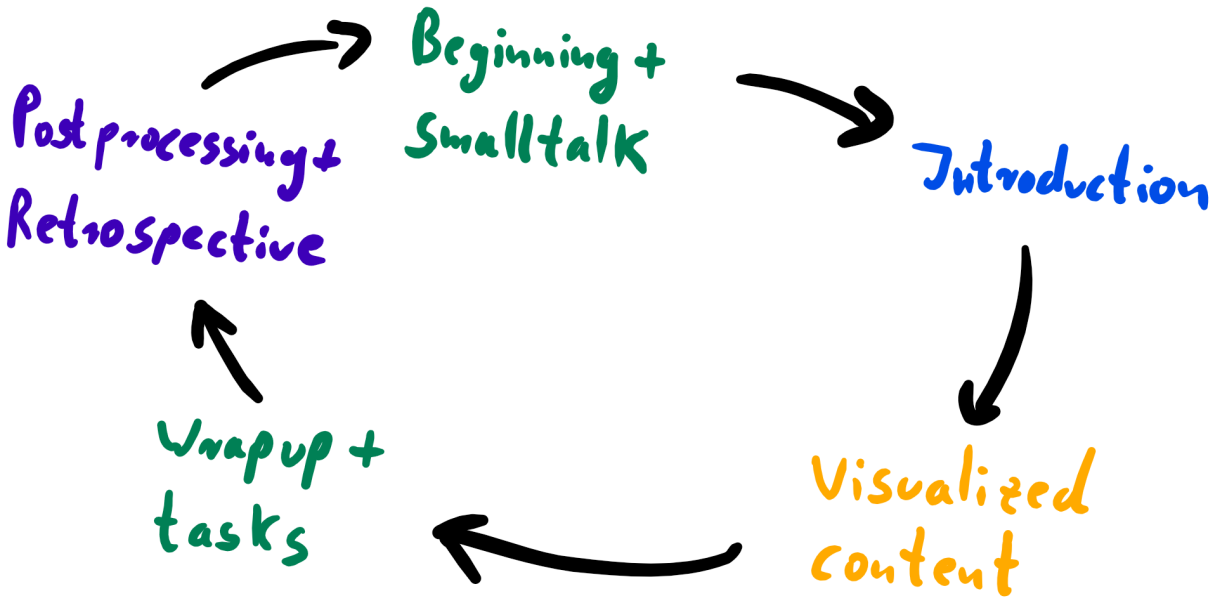
Remote Working

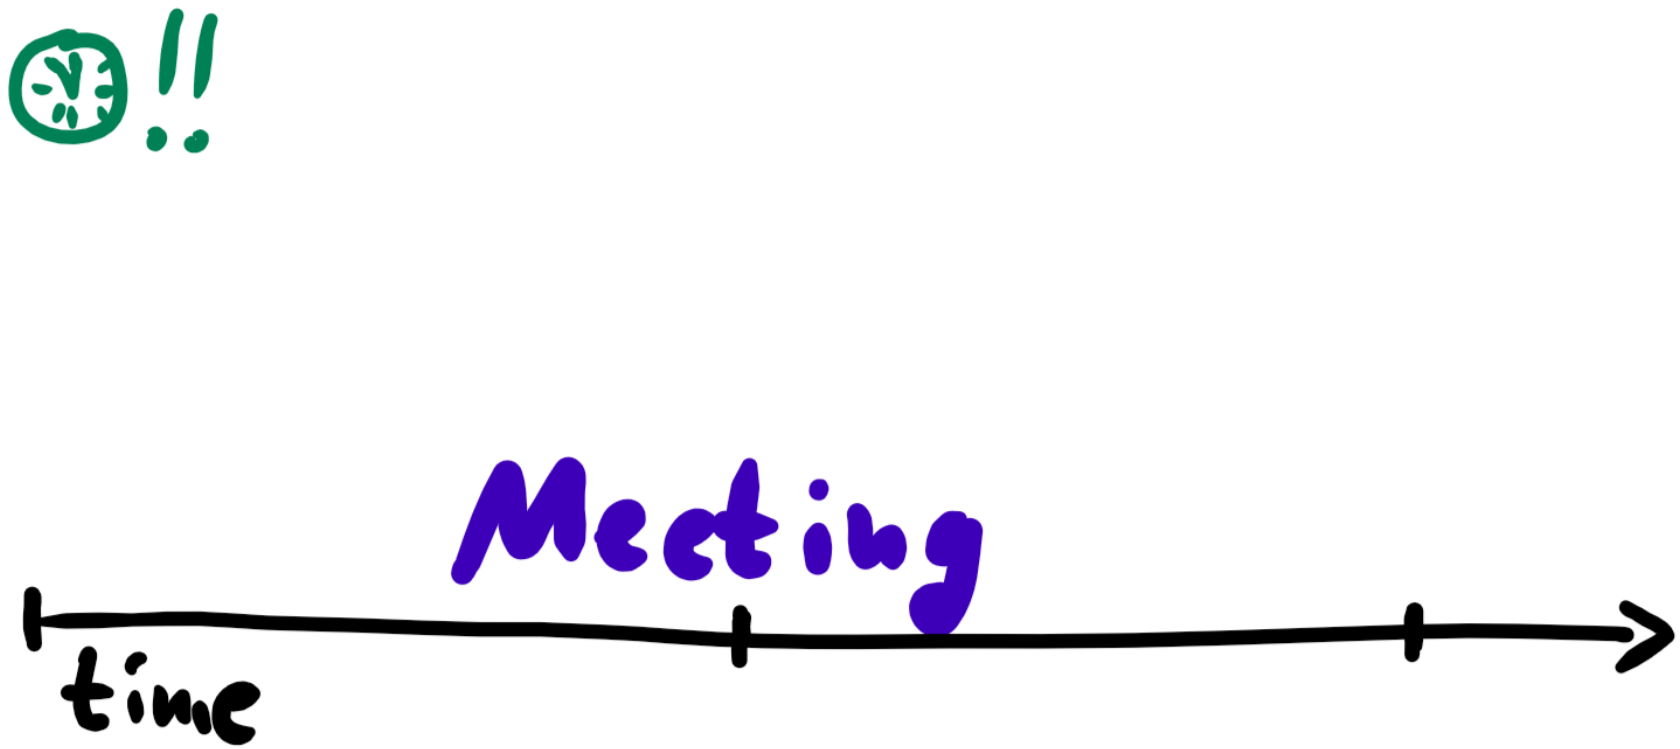
Company

Customer

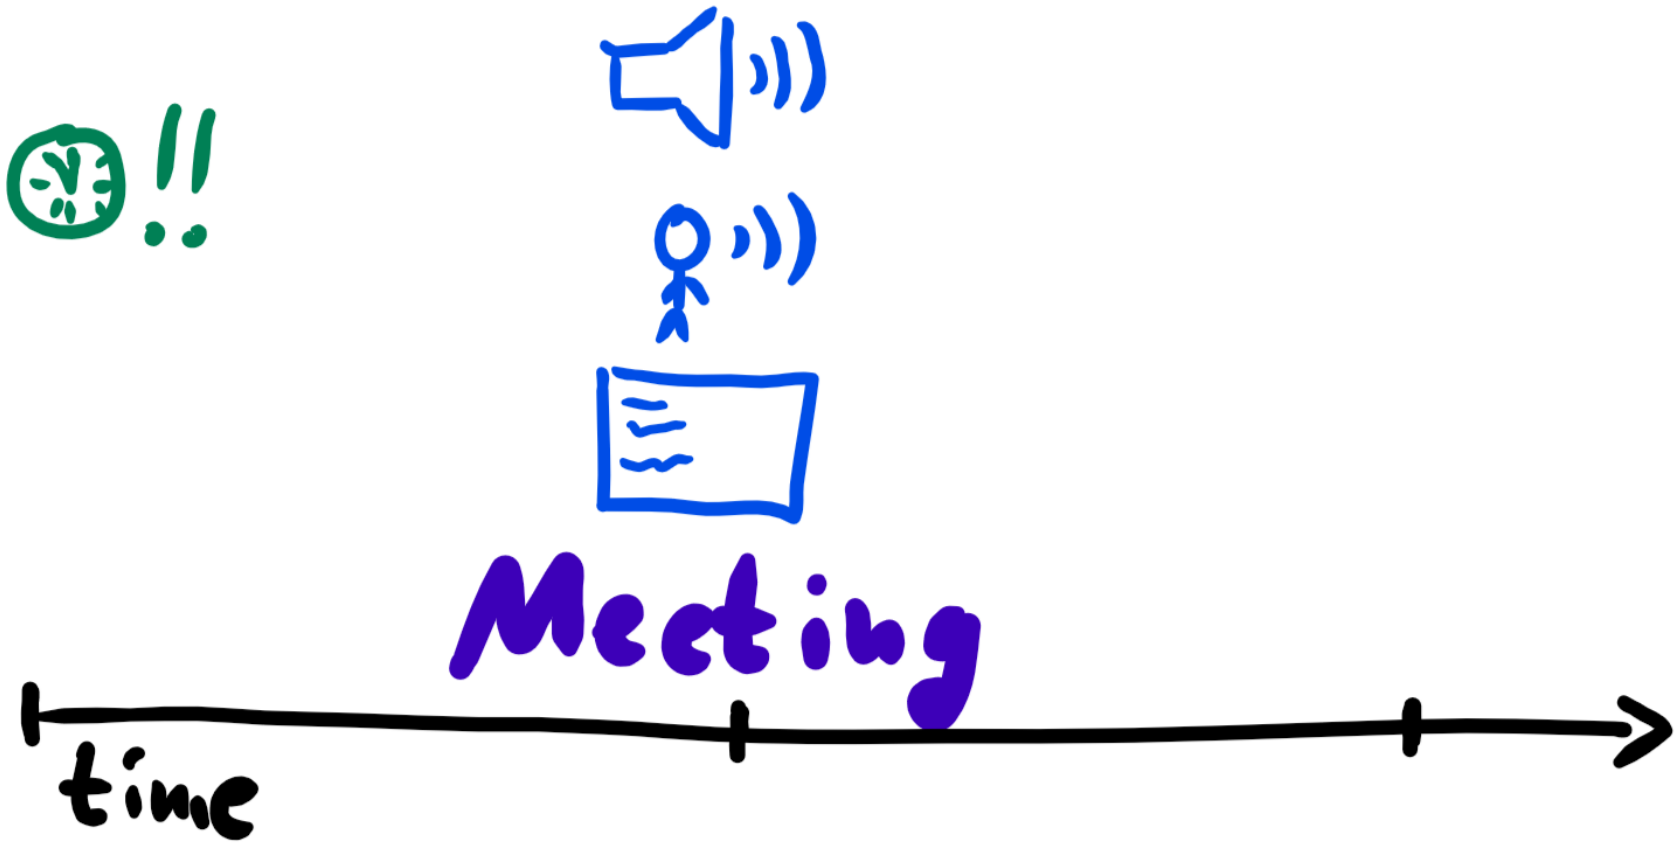
Chapter 3 - Moderating remote meetings

Phases of a meeting





Meeting
time



!!
Meeting

Time!
time

Chapter 4 - Tools

Chapter 5 - Leading remote teams

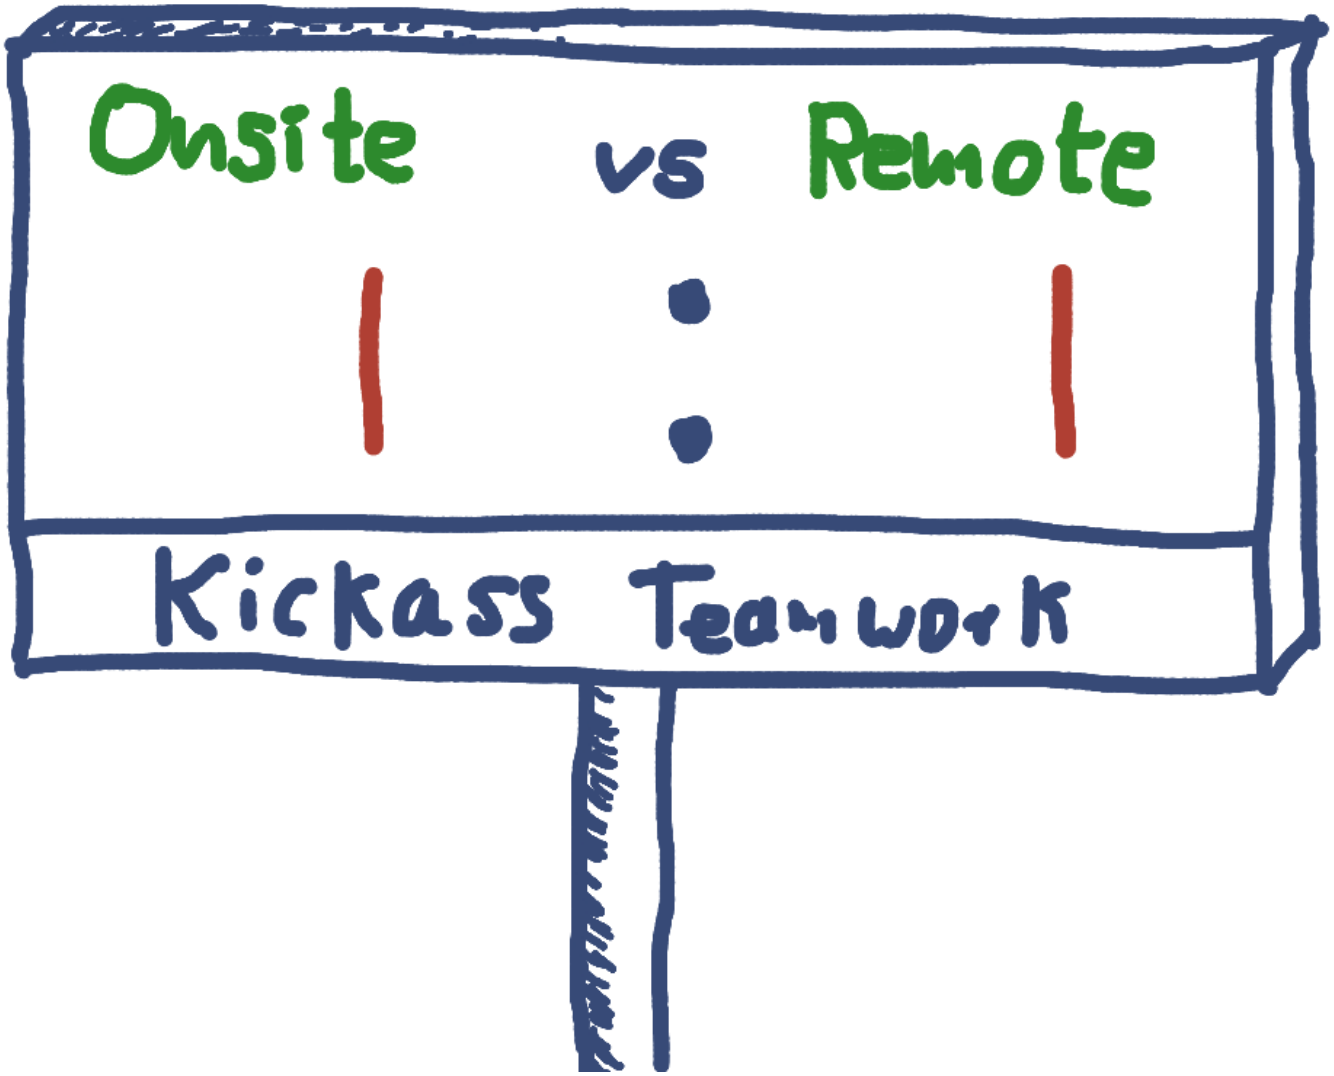
$$\text{trustworthiness} = \frac{\text{credibility} + \text{reliability} + \text{intimacy}}{\text{self-orientation}}$$

Delete!

Delegate.

Do :(

Because



Onsite vs Remote
Kickass Teamwork
